Kristine,

The alternatives screening presentation on April 12th was the same as the presentation submitted to EPA on April 6th.

Jen - I think that the presentation the LWG gave was a little different than this one. Could we get a copy of the final presentation?

Subject: Alternatives Screening Presentation Deliverable

Chip, Kristine,

Please see attached alternatives screening presentation. As you requested, these presentation materials are submitted in advance of the April 12 deadline, which has been converted from a deadline for submittal of the materials to the date for an alternatives screening check-in meeting. The LWG believes this submittal satisfies the requirement of EPA's February 25, 2011 letter to provide an alternatives screening analysis deliverable by April 12, 2011.

Please let us know if you have any questions.

Thank you,
